MESSAGE FROM YOUR EXALTED RULER, DONALD A HARRISON

July has come with heat.

Not only is the weather extremely hot, but we must also prepare for the start of school and the activities of our lodge. I will keep it short!

I am looking for three things to be addressed!

MEMBERSHIP BUILDING

I need four member to assist with membership building. All can be done in the comfort of your home at times you are free.

One to simply google search the targeted group and created email labels. The formatted labels are sent by email to be printed.

Two, a person to place the labels and stamps on the envelopes.

Three, a person to stuff the envelopes with the invitation letters.

Four, a person to monitor the responsive email account from those reserving a seat at the members building dinner.

HOOP SHOOT

I need six individuals to attend basketball camps in Hillsborough County during the summer to offer invitations to children 8-9, 10-11, 12-13, of both genders to participate in the Hoop Shoot competition. Our lodge hoop shoot is scheduled in September. If possible, ask the coach running the camp for a short 10 shot free throw contest or ask the coaches whom they suggest to try hoop shoot. **Time is of the essence.**

SUSTAINING DONORS

There is an old saying, "I have more time than money or I have more money than time."

The Florida State Elks organization has one of the foremost youth camps in the USA. Additionally, more than 600 children are provided, free of charge, physical and occupational therapy EACH WEEK from one of the 38 therapist of the Florida Elks Children's

Therapy Services. The cost to Florida Elks exceeds \$3 million annually. To assist with this cost, I ask that you provide \$19 a month as a sustaining donor before the end of August to be included in our February 2025 dinner and be recognized for your contribution with your name on the sustaining board.

In closing, you can communicate your desire to take part in the above activities by emailing Elks2383sharing@yahoo.com.

Thank you,
Donald A. Harrison
57th Exalted Ruler
Brandon Lodge #2383

WE ARE ELKS! WHAT DO WE DO? WE MAKE A DIFFERENCE. HOW? WE HELP, WE SHARE, WE ARE SEEN.

ELK OF THE MONTH

Elks are an organization of camaraderie and service. Since 1868, Elks have provided billions of volunteer hours as well as billions in financial support within the communities they serve. Service in a community is a team effort. There are those that write grant requests to obtain grants and scholarships to use within our communities. There are those that work the front lines, touching community members directly with those grants and scholarships. But not all funds are in the form of grants from the state and national Elks organizations. Locally we raise tens of thousands in revenue to fund our lodge's charities. Whether it is back to school supplies for teachers, book bags filled with supplies for students, gifts for families in need during the holidays, collecting good for veterans and active military members, or many of the other programs we partake in, much of these activities are funded through our lodge's fund-raising activities and programs.

Bingo is one such lodge program. Each Thursday, bingo takes place in the rental hall, overseen by the bingo chair. The chair oversees the schedule of volunteers that sells the bingo game material, verifies the winners, and calls the balls, as well as order supplies, among her other duties. The funds raised from Bingo, the tear tabs, and electronic machines fund the programs and many others.

The sign on the posts next to our lodge sign, professes we have provided more than \$1.3 million to our community. We have crossed the \$1.4 million mark with the contributions of Bingo proceeds. A new member, having joined only recently, but has been serving our lodge for years as the spouse of a member, her dedication and service to our lodge and community has made a huge impact.

I thank Laurie Bayne and announce Laurie as, Elk of the Month.

BLOE BITS Next Meeting is JULY 1ST @ 7:00 PM
Hoping to See You There!

Well June is here and almost over!

There is not much news to report and sorry to say we are having a slow go at this year's start. I have high hopes that we will get better as the year moves on. The Ladies Wed. night dinner was delicious, and we had a great turn out. As of now we don't have anyone cooking Wednesday night dinner in July. If we don't get anyone to volunteer, we will have to cancel. I am hoping that we will not have to do this, as the regulars count on that dinner, as do we. I have had 12 ladies step up and say that they are getting cakes, cookies, or pastries ready for the 4th of July picnic cake raffle. Thank you all for doing so and let's bring in the BIG \$\$\$! The Ladies Lottery Board has been put together by Nancy Price once again this year. It is up behind the bar; tickets are on sale now thru July 4th. As always, thicketts are 1 for a \$1 or 6 for 5\$. The drawing will be at the 4th of July picnic. The lady's office was cleaned out in May, and it looks great! Remember the only items going in there are the linens and stuff for the meetings. Everything else is to be kept in the shed. On Sunday, the May 19th we cleaned out the shed and everything that is stored there is to be in totes and MARKED.

I want to thank Terri Ciesla for doing Bunco and Casino Night, Nancy Price for the Lottery board and Beth Benham and Julie Elbert for the Fashion show. Thank you, thank you, thank you! I can't say it enough. We still have 3 major events that need a Chair Person. Let's get someone to volunteer so we can make them all successful with early planning.

A well done is better than well said - Benjamin Franklin

Thank you,
Becky Cresswell

*Brandon Ladies of Elks
Lady of Distinction
JUNE*

Our Lady of Distinction for June is a very important member of both the BPOE and BLOE. She can be seen at the lodge almost everyday and when she is here, she is either in the kitchen or working in the office. She has been chairing the Sunday Breakfast for many years and assures us a profit every month. Her cooking expertise is well known at this lodge, and she also cooks at the Moose. She enjoys cooking and when she cooks her meatloaf, we know that there will be a line waiting to eat. She took on co-chair of catering this year and because of her long-standing experience we know that it will be covered and that our reputation of great meals and five-star catering will continue. She is also willing to help at fundraisers and events. She has been an outstanding member for many years and its about time that we let her know what an asset she is and that her hard work in the kitchen and in the office hasn't gone unnoticed. Please join me in congratulating **Nancy Price** as our June Lady of Distinction.

Our lodge runs **99%** on the labor of volunteers. What do we do? What is planned?

- 4th of July Parade and picnic
- Snack bar 10 times a month every Tuesday and Thursday and one Saturday a month
- Dinners 8 to 10 times a month, three Wednesdays, 4 to 5 Fridays and a Saturday.
- Bingo each Thursday
- Visitations with members of the VA community.
- Food and magazine drives 4 times a year.
- 50/50 raffles.
- Queen of Hearts game each Tuesday.
- Membership committee: assist with recruitment, retention, and engagement.
- Lodge Olympics, where we travel to other lodges and compete in cooking and sports related competition.
- Mystery bus, where members are taken to lodges, unknown which lodges until we arrive. This gives us the opportunity to see others in their lodge environment.
- Bus to Umatilla youth camp to meet the staff of the camp and be exposed to all the Florida State Elks organization does throughout this state.
- A day at the Rays, a bus to see the Tampa Bay Rays play in Pinellas County. It is a statewide function. Last year there were about 1400 Elks in attendance.
- Hall rentals and catering that generates income for our lodge and charity programs.
- Communication: individuals overseeing the Bugle, our website, our calendars, Facebook, dinner and event flyers, contact with the media to promote our events, bulletin board and digital TV information in the lounge and other mechanisms we use to get the word out to our members.
- Christmas gift and wrapping. We post a list of children and information on their wish list.
- Back to school support. Supplies for teachers and students.
- Thanksgiving dinner on Thanksgiving.

- Entertainment: Booking of our entertainment is handled by a member.
- Bar support: The bar manager maintains fiscal control; orders supplies and goods. Sees that the bar is maintained in a safe and health manner.
- Kitchen support: In addition to cooking food in the kitchen, equipment and the kitchen from time to time must be deep cleaned. This requires removing the equipment out of the kitchen, cleaning and returning. As that is happening, stripping and waxing the floor occurs.
- Food buyer: This member is responsible to purchase much of the food and supplies for kitchen functions.
- Hall rental: A member meets with prospective parties to answer any questions on renting the hall. This person also handles the rental contract.
- Ground keeper: From time to time, members trim trees, remove clutter from drain line and spouts, blow leaves from entrances to reduce accidents and maintain our flowerpots and outside patio areas.
- Building maintenance: Painting, fixing a leaking toilet, and generally much of the same maintenance we do in our own homes.
- Accounting and record keeping: We maintain records and file reports as required by law and Elk rules.
- Anti drug campaign: MCing fishing events to impress upon the younger crowd the dangers of drugs.
- Visits with Willis Peters Exceptional School to entertain and assist children and their families with their children that are physically and emotionally delayed.
- Coordinating the rental of our hall for car, coin, and other shows.

Elks Care - Elks Share

There are many activities and functions that demand our labor to accomplish the goal of Elkdom:

I AM ASKING THAT OUR MEMBERS ASSIST IN OUR MISSION TO CARE AND SHARE. Share 8 hours a month. Many of the tasks mentioned can be done in the comfort of your home and on a schedule that is not overly demanding.

Yes, many actual require you be in the lodge and do tasks of a physical nature. To put in in perspective, your labor, had you been paid to perform, is donated to our lodge. If we have a rental, generating \$1200, \$600 in bar sales and \$1100 in food sales, your labor helped to generate that \$2900 in profit. IT is that income that pays the \$3000 electric bill, the \$600 trash bill, and supports much of what we do in our community.

I ask that you send an email to elks2383sharing@yahoo.com with your choice of how you can be the labor for our community and lodge.
