A MESSAGE FROM YOUR EXALTED RULER, LOU VALENCIA

The beginning of a new Elk Year!

As your New ER, I am asking of all members—Let's make this year Outstanding!

Let's exemplify Elkdom by practicing our founding virtues: Charity, Justice, Brotherly Love and Fidelity.

Let us also remember that whether you are a member of the BPOE or the BLOE (or both!) we are all under the same spreading antlers of protection, as it is meant to be!

Working together for the good of "Our Lodge" will bring back the harmony that was once prevalent.

Charity: the voluntary giving of help, typically to those in need, in a Generous way.

Fraternally Yours, Lou Valencia, Exalted Ruler

ELK OF THE MONTH

The elk of the month is **Larry Hester**, who on a Friday, steak night, took care of a situation in the men's bathroom while we were cooking, allowing us to continue in the kitchen without delay.

He has also helped walk other members to their vehicle safely.

He takes initiative to do things for the Lodge that others might not think of!

Let's thank Larry for his efforts.

I would also like to thank Melinda Giffen Frater and company for their effort on the Masquerade Ball event.

I heard nothing but praises regarding the decorations, food and the event in general.

To All PER's it's lunch time again! So, strap on those feed bags for Thursday, April 10 @ 11:30!

We will meet at Recipe Box 147 E Bloomingdale Ave in Bloomingdale Shopping Center,

I hope you can attend. The more the merrier.

See you soon!

Your Restaurant Hunter
Kim Martinez PER

BLOE BITS

Next Meeting is
 APRIL 7TH @ 7:00 PM
 Hoping to See You There!

Welcome to the new Elks year. A new beginning...a time for change. First and foremost, I would like to thank you for having the confidence and faith in me and selecting me to be your Brandon Ladies of Elks president once again. I would also like to thank the ladies who have stepped up into officer and chairperson positions. I've noticed there's been a change in our ladies' group. Membership has dropped, morale is low, attendance is low, and volunteerism is low. Some members have dropped out and others have said they don't want to continue. I can certainly understand that after what has occurred the past few months. Please give this new leadership a chance to show you it could be fun again. One of my biggest challenges this year is not only to retain membership, but to increase membership. I want to make our meetings worth attending. I want you, and all our members, to look forward to going to a meeting. I want us to be enthusiastic about events and bring friends with us who in turn might want to become future members. I would like all of us to have fun at meetings, dinners and at lodge functions. Our entire membership will be included in knowing what is going on and in making decisions for the betterment of our lodge. I am honored to have been asked by the Florida Ladies of Elks to be an alternate district delegate. By doing so I will be able to report the state information to you firsthand. We are a wonderful group of ladies with big hearts who have given a lot to our lodge and our community. Let's remember what we are about and what we do for our lodge, for our charities, for the children, for the veterans, and for the Elks organization in general. I am excited to work with each and every one of you to bring back our amazing organization. As you know, I have many ideas for events and fundraisers, but I am open and welcome to hear yours as well. In closing, thank you again. I look forward to all of us working together to reach these goals.

Terri Ciesla
 President

Brandon Ladies of Elks Lady of Distinction MARCH

Our Lady of Distinction for March learned quickly what it means to be a Brandon Lady of Elk. Immediately after she was sworn in and even before she was helping. She works the breakfast, hosted a table at the Christmas Tea and helped with gift wrapping. She is fast becoming one of our "go to" members when we ask for volunteers. Even though the event was cancelled she created decorations for the Halloween Party and continues to pitch in whenever and wherever she is needed. She cooked and decorated at our Masquerade Ball, helped @ the Casino night and worked on a Wednesday Night Dinner. Even after doing all that she finds time to help with Bingo and other BPOE events. She is just a wonderful volunteer. Please join me in congratulating **Donna Cassanese** as our March Lady of Distinction.

To All Lodge Members:

To clarify an apparent misunderstanding regarding our lounge being reserved by one of our members. Our lounge is always open to our members, and their guests, during normal operating hours. If there is a private event also happening during those hours, members/guests are not allowed to freely partake of any food and/or beverages supplied by the member that reserved the use of our lounge unless you were invited to the event, or the member grants you permission to partake of their food/beverage.

Thank you.

~AUTHOR TALK on HISTORIC FICTION NOVEL~

“HIDDEN IN HAARLEM”

“*Hidden in Haarlem*” weaves the true stories from an interview with an elder who survived WW II in Holland as a teenager. Many stories tell of war heroes and the persecuted, but this novel aims to bring to light **stories of the regular folks** who tried their best to bring a horrific war to a close. They went to extremes to survive and help save as many as they could, often at a great personal risk. It is the hope of this author to honor those citizens who have been hidden from the stories of history.

DATE: April 21st 2025

TIME: 5:30PM

LOCATION: 800 Centennial Dr.

Brandon, FL 33511

Author S. K. DeMarinis retired after 30 years as a chiropractor and took up writing novels to broaden her passion for storytelling. “*Hidden in Haarlem*”, her fourth novel, weaves the true stories from an interview with a 95-yr-old elder who survived WW II in Holland as a teenager. Actual wartime events and some added fictional characters bring the reader inside history. Fascinated by his tales of resistance as a **citizen saboteur**, Sue further investigated this period of the 20th century. She presents a 1-hour slide show of her research of old newspapers, vintage photos, documents of other survivors, and digital encyclopedia references.
